THIS IS UNEVALUATED INFORMATION

[redacted]

[redacted] May to November 1948

25X1 1. The airfield was located on the southern edge of SVERDLOVSK (60°38'E/56°48'N), on the western border of the road to NISHNE-ISETSKI.

25X1

2. There was a small building on the road by the side of the main field entrance. Some hangars were on the edge of the field.

3. Some aircraft of various types, including Ju-52s and Douglas planes, were stationed at the field.

25X1

[redacted]

[redacted] August 1947 to March 1949

25X1

4. The SVERDLOVSK civil airport was located on the southern edge of the town west of the road to NISHNE-ISETSKI, north of the railroad line to CHELYABINSK, and northwest of UKTUS [redacted]

25X1 [redacted]

5. The medium size field was used almost exclusively by small aircraft.

25X1

25X1 [redacted] Comment:

The field is an old installation which is entered on the town map. It is now only used as an auxiliary field, a fact which is also indicated by the remark that it is chiefly used by small aircraft.
